MEMORANDUM FOR THE RECORD

**SUBJECT: Request by Component of the Department of the Army
for Permission to Extract TOP SECRET Material from an NIS**

25X1A9a

1. In connection with the correspondence attached on the above subject, [REDACTED] on May 18 indicated the approval of the SEC of the extraction of the NIS material as requested by the Department of the Army.

2. In examining this matter it was found that Chapter I on the USSR dated September 1955 contained later information which changed certain statements made on page 21 of Section 73 dated January 1955, which was one of the elements from which Army wished to extract the data. Permission was also obtained from SEC [REDACTED] for Army to extract the data from the Chapter I on NIS 26. This information was passed to [REDACTED] OCR, on 18 May 1956.

ATTENTION: Mr. E. Huling

Assistant Director for Basic Intelligence

Request by Component of the Department of the Army for
Permission to Extract TOP SECRET Material from an NIS

Reference is made to your memorandum of 15 May 1956 on above subject requesting that permission be granted to extract certain information on TOP SECRET NIS elements on Area 26 for enclosure in a Combat Development Project now being prepared at the Antiaircraft Artillery and Guided Missile School at Fort Bliss, Texas. This will confirm approval of the request which was phoned to Mr. Huling on 18 May 1956.
